

## GOOD NEWS FROM THE PASTOR'S SEARCH COMMITTEE

The Pastor's Search Committee has elected officers and is hard at work. We are:

- holding "listening sessions" with members,
- reading and discerning best practices for pastors searches,
- preparing to post the position after completing a church and pastor profile, based in part from input from the listening sessions, and
- meeting bi-weekly to stay on track.

We are pro-actively communicating and asking for your input so you are well represented in this process.

We are publishing updates in Crossroads, updating members during Announcement Time on Sundays and Wednesday nights, and holding special events to encourage conversation such as the Listening Sessions.

You are invited to also contact any of the Pastor's Search Committee directly. What you share with one of us will be communicated and acted on by the entire group.

Final listening sessions at BCOC members' houses are this Saturday (July 20) and Sunday night (July 21). Contact Kit Deason if you would like to be added.

Listening sessions during the Sunday School hour will be July 28 and August 11. You do not need to register for the sessions at BCOC, just come!

We are excited about our future and are humbled by the trust you have placed in us. Together as a church, we will find the perfect pastor for BCOC.

With Gratitude,
